Officials Tell Of Racket Run In S. M. County

'Protection' Promised
To Little Dealers
In Slot Devices

How big-time slot machine barons have invaded the peninsula to make more difficult the attempt of officials, already hindered by a "tip-off" evil, to stamp out gambling in San Mateo county was revealed by authorities this week as Dist. Atty. Gilbert Ferrell's office announced that another successful raid had been conducted.

The place raided was "Max's Mug" tavern in San Carlos, where a slot machine was confiscated, bringing the sheriff's collection of coin devices to 75.

The picture painted was one of big-time dealers forcing minor operators to remove their coin machines from taverns and restaurants on the grounds that the "big shots" had "fixed everything" and had been promised protection from the district attorney's and sheriff's offices.

'PROTECTION' FAILS

Just one day after such a statement had been made and new machines installed in the Seven Mile Inn, just south of Bayshore City in the north end of the county, by a South San Franciscan reported to head the slot-machine racketeers in the county, the inn was raided by the district attorney's investigator and sheriff's deputies, with five of the so-called "protected" machines being confiscated and the manager of the place, Ralph Barse, being arrested.

According to witnesses, the slot-machine "baron" told the manager of the inn to "take those machines out," pointing to coin devices that were not of the make handled by his company.

"Only ours are O. K.," he assured the proprietor.

TIP-OFFS NUMEROUS

Other revelations were that not only in the visit to H. C. Caldwell's alleged book-making establishment in his hotel and liquor store on the county road, Belmont.

did raiders have trouble with "tip-offs," as previously disclosed, but also in other raids.

"Sheriff's deputies and special investigators would arrive at reported gambling places and find everything dark and closed up," an official related, "even when we were sure that earlier gambling had been going on there."

Four times raids at the Belmont establishment were foiled through tip-offs, it was reported. These tip-offs were believed to have been made by "officials."

At the same time as the above disclosures were made, the district attorney's office praised the co-operation of Sheriff James McGrath in the present raids.

COUNTY COMBED

"He has placed deputies at this office's beck and call," it was said. The deputies often do not know where they are going for raids planned by Investigator James O'Hanlon, former county deputy sheriff and veteran undercover investigator, it was said.

Stating that the district attorney's office had gone over the county with a "fine-tooth" comb for gambling and slot-machines, the district attorney's spokesman disclosed that information had been coming to the county officers from numerous other sources that O'Hanlon's researches.

The San Carlos raid was carried out by O'Hanlon and Officer J. A. Gravano of the San Carlos Police Department. Justice Hugh H. Mullin of San Mateo issued a complaint against the owner of the cafe, Eugene McLaughlin. The officers, equipped with a search warrant, found the slot machine in a back room.

Firm Named Agents For Kimball Pianos

Preston's at 338 University avenue, Palo Alto, have just been appointed agents for the W. W. Kimball Company, world's largest manufacturers of pianos and pipe organs. Because of this fact, an introductory sale is being held this week, with George H. Tyson of the Kimball Company present to aid the event.

LONDON WIN INDICATED

(EDITORIAL)

From the straw vote taken throughout the United States it would appear that Governor Landon is to be the next president. The sweeping vote in Maine and Michigan will add to this prediction. The Republicans claim New York, Illinois and Ohio, in addition to the above states. Of course, New England and a number of the Middlewest states will give Landon a majority. Massachusetts and Connecticut are conceded to the governor. It is claimed the vote in California will be close between Landon and the president. Landon is an able, honest statesman and will make a good chief executive.

MENLO PARK MAY TAKE IN 21-ACRE AREA

Pedestrian Walk Also Sought for Property Along Highway

MENLO PARK, Sept. 23.—Twenty-one acres of unincorporated territory may be annexed to Menlo Park if the city council forces action on a proposal voiced by Councilman Henry Carroll here last night. At his suggestion City Attorney James T. O'Keefe, Jr., was instructed to query the owner of the property, M. F. O'Dea, of Los Angeles, with reference to annexation.

The property parallels El Camino Real on the westerly side from Middle avenue to approximately Robie avenue. Meanwhile the council will propose to the board of supervisors that the county establish a walk for pedestrians extending the length of the property.

Plumbing and gas appliance codes similar to those existing in the county and in Palo Alto were adopted at the request of local plumbing firms.

A WPA grant of \$4,500 for the construction of curbing and lateral extension of the pavement on Santa Cruz and Valparaiso avenues for approximately 750 feet will be sought by the city. Engineer Bert Mehli submitted the project applications for official approval.

Frank S. Becker's communication to the council seeking assurance that a permit will be issued for the construction of a greenhouse on a six-acre lot bounded by Glenwood avenue, Laurel street and the railway tracks was referred to the building inspector. If favorable action is taken by the council the lot would be leased by a wholesale florist, according to Becker.

The request of R. E. MacMurray for leave to maintain a billboard erected without consulting the building inspector was referred to the latter, John Glunz. Petitioner for the signing of the intersections at Valparaiso and San Mateo drive and University drive and Florence lane was referred to the street commissioner.

FLEISHHACKER HOSTS TO VISITING BANKERS

Wife, Kin Share Entire Estate Of Dr. Offield

Dr. Archie L. Offield, prominent Burlingame physician and former superintendent of the Community Hospital, left his entire estate of "more than \$10,000" half to his widow and half divided between his two sons and daughter.

This was made known by Martin Poss, general manager of the fiesta, who gave out the names of the seven girls officially entered in the contest which will send one of their number, the winner, to the Texas Centennial Exposition as good will ambassador from the peninsula.

The seven girls officially entered in the contest are: Edna Brooks Lasswell, Daly City; Adrienne Sausset, Redwood City; Betty and Katherine MacNeil, Burlingame; Janice Crown, San Mateo; and Bettina Norberg, Burlingame.

It was also announced by Poss that Mrs. Maude Saeger, Burlingame clubwoman, will take charge of arrangements for the contest. Mrs. Saeger will interview potential entrants in districts of the county not yet heard from and stimulate their interest in the competition.

While many girls have already taken out entry blanks, they have not as yet submitted them.

Meanwhile plans for the big pageant which will be a nightly feature of the fiesta when it opens at Bay Meadows October 8-11, have been completed. Names of the leading players in the affair will be announced later this week.

Business men throughout the county were stirred to new interest in the fiesta with the announcement that the California Hour, a Columbia network broadcast, will devote one hour on October 5, to San Mateo county and its fiesta.

Baughn Divorce Suit Brought in Nevada

Sprout Picker Strike Settled

Before it had an opportunity to spread to the San Mateo county coastside, a Santa Cruz strike of 200 Filipino brussels sprout pickers was settled peacefully over the week-end with the result that picking of the vegetable was resumed in that territory today.

Agreeing to proposals submitted by Amos Beauregard in the role of independent mediator, shippers and growers signed a six months' agreement allowing pickers a wage of 35 cents per hour—a raise of 5 cents over the scale formerly in effect.

Signing for the Filipino pickers was Guillermo Alegre, "president and official representative." All pickers were back at work in the Santa Cruz Davenport area this morning.

Signing of the pact culminated four days of intensive negotiations conducted by Beauregard, former deputy sheriff, with constant assistance of Joseph Tambellini, artichoke and sprout producer.

Ronald Colman uses four signatures as a precaution against forgery. Two of these are for autographs and two are for checks.

MENLO PARK NEWS

Edward McLoughlin, chief clerk in the Safeway chain store here, was united in marriage to Miss Nellie Kennedy at noon on Sunday in the Church of the Nativity.

Father Thomas McKeon officiating. Mr. McLoughlin has been connected with the chain store since boyhood. The pretty bride has resided with her mother on Valparaiso avenue for some time. After the reception, held at the home of bride's mother, Mrs. Jones, the young couple motored north and will be in Menlo Park on Monday.

At a nuptial mass to be celebrated by Father McKeon in the Church of the Nativity, pretty Miss Margaret W. Hand will be married to Bryan Tatman, Palo Alto, tomorrow morning at 9:30 o'clock at which time the mass begins. Charming Miss Irene Paris, Menlo Park, will be the bridesmaid and Patrick Sullivan, Palo Alto, is to be best man. The ushers are to be James Dougherty, Menlo Park, and David Buckley, Palo Alto. The winsome bride-to-be is the only daughter of Mrs. Margaret Hand, Glenwood avenue, and was born in Menlo Park. She is a graduate of Sequoia. Miss Hand is a fascinating young woman, having a host of friends on the peninsula. Mr. Tatman has been a resident of Palo Alto for some years. The reception is to take place in the President Hotel, Palo Alto. After a honeymoon motor trip south, the young couple will reside in Menlo Park.

Work is rapidly progressing on the Derry building on the highway. It will be an ornament to Menlo Park.

J. B. Lynch and his wife are here from Reno, Nev., on a leave of absence from the University of Nevada, where he has been superintendent for over 20 years.

The catechism classes of the Church of the Nativity have been resumed with a big attendance. Father McKeon is personally supervising the children in their studies.

St. Joseph's parochial school that opened for the fall term recently had the largest registration in the school's history. Mother Foley, the superintendent, is proud of the success of the institution.

Joseph Reynolds was taken to the Community Hospital Tuesday, suffering from a severe illness. He is a student at Sequoia. His friends hope he will soon be able to return to school.

The first of a series of monthly social meetings was held by the Menlo Park Post, No. 433, of the

American Legion Auxiliary this week.

Mrs. Carol A. Devo and Mrs. Fred Lyon were hostesses for the entertainment which was held in the Legion Hall.

Mr. and Mrs. Francis J. O'Connor of San Francisco have bought the Thomas R. Denny home on Selby Lane, Atherton, and will move into it next week.

The Denny's, now at the Palace Hotel in San Francisco, will build again in Atherton.

Leland Cleland of North Palo Alto, his son, Leland Jr., and Charles H. Smith have gone to Groveland in the Sierras for a short outing.

Mr. and Mrs. Christopher A. Connor of Menlo Park have named their infant son, born last Friday at the Palo Alto Hospital, for his two grandfathers—George for Mrs. Connor's father, George S. Brown of Reno, and Christopher for his paternal grandfather, the late Christopher Connor. Mr. Connor is a member of the Menlo Junior College faculty.

There is a 3-year-old daughter in the family, but this is the first boy.

The Woman's Guild of Trinity Episcopal Church met Monday afternoon in the parish house for the regular weekly session. The United Thank offering thus far gathered in the blue boxes was taken from all over the diocese for presentation at a diocesan

Easton Exonerated
Of Manslaughter

SAN BRUNO, Sept. 23—George Easton, 20, Sausalito, today stood freed of charges of manslaughter growing out of the death of George McCoy, 60, Sunnyvale caretaker, fatally burned after a crash between his machine and Easton's

auxiliary service at St. Edmond's Church in Richmond Thursday.

August 30 on El Camino Real in San Bruno.

Easton was exonerated of the charges after a hearing yesterday before Judge R. A. Rapsey of San Bruno. Evidence showed that McCoy was backing out of the Silver Moon tavern when his machine was hit by Easton's.

McCoy was dragged from his flaming car by Officer Louis Rinkel of the state highway patrol, himself burned in the rescue. McCoy died, however, several days later from third degree burns.

Approximately 21,500,000 homes in the United States, say statisticians, are radio-equipped.

Belmont's Building Total Hits \$76,950

BELMONT, Sept. 21.—Building activities in Belmont are steadily soaring. Building Inspector Fred Johnson reported that since January 1, he has issued permits amounting to \$76,950.

Among the new buildings are the three residences and a combination store and residence structure of Monterey type built by Ben Tonelli. The buildings, representing an investment of \$20,000, are located in the Brookhaven area. C. W. Lane is erecting a typical Spanish hacienda at the corner of Mezes and Notre Dame avenues. The house has four bedrooms and will cost \$10,000. On Arbor avenue a new \$4000 stucco home is being constructed for Robert Ross. New homes in the Swift tract amount to \$8400. Additions to Twin Pines and Nerve Rest cost \$8500.

Firemen Revive Girl After Fall Into M. P. Creek

MENLO PARK, Sept. 21.—Because a 10-year-old girl had presence of mind to shout instructions to 8-year-old Lila May Protero

when she fell into San Francisco creek between Stanford University and Menlo Park, the younger girl is alive today.

The chum, Amy McFall, after calling to the girl to keep her hands moving in order to stay above water, scrambled up a 30-foot bank and ran to the home of Dr. Margaret Lamson where she

FANCY WORDS and literary writing do not count in this contest—just your own reasons for defeating a scheme to put hidden taxes on the foods and other necessities you buy. So you can win as well as anyone.

Only residents of California are eligible. That gives you a better opportunity for a prize.

—free, without special purchase—at any chain store. It gives the simple rules and a valuable list of ideas.

The sooner you start the more likely you will be to win \$500.00 in cash or one of the 309 other money awards.

Entries must be written on the official blank and postmarked not later than midnight, October 13, 1936.

READ THESE FACTS

Hiding under the innocent title of "Retail Store License," Proposition 22 on the November ballot is really a new scheme for taxing the public.

Proposing to tax individual stores \$1 a year and chain stores \$5000 for each store over nine, it has been petitioned against by 136,000 Californians because

It Would Raise Prices
The U. S. Federal Trade Commission says: "If the ability to compete or an elimination of credit and delivery cost, is destroyed by taxation, it is the consuming public which will really pay the tax and not the chain."

It Would Be Unfair
Not a tax for revenue, not based on the ability to pay—it is an attempt to use the taxing power to destroy competition.

Small chain stores would be taxed up to \$500.00 times as much per dollar of sales as big department stores.

It Would Hurt California
Chain stores now benefit California consumers, farmers, employers, property owners, taxpayers and investors. To cripple them is to hurt all California business.

22 IS A TAX ON YOU

Award Upheld, Another Given In Court Here

Two large awards for county traffic death damages, one of them upheld by the state first appellate court, were on file today in the county's superior courts.

Mrs. Claire Everett, remarried widow of Ralph E. Battison, who was fatally injured August 2, 1933, in an accident on El Camino Real between San Bruno and Millbrae, was awarded \$15,000 damages when the appellate court upheld an October, 1935, decision of Judge A. R. Cotton. She asked \$50,000 from the Howard Buick Company of Burlingame and Eric B. Flippen, driver of the car which struck the machine of Mrs. F. Gilman Bogue, with whom Battison was riding.

For the death of her mother, most difficult of nests to find.

Dorothy Phillips this morning received an award of \$37,125 from Judge Cotton. Miss Phillips' mother, Mrs. Julia Phillips, Burlingame modiste, was killed May 23, 1934, when the machine the mother was driving turned over in the South San Francisco underpass after skidding in soap with which three state employees, named with the state as defendants, were washing the walls of the underpass.

Miss Phillips asked \$10,287 of the state and Elmer Alfkin, W. H. McConds and L. Kahrmann, her attorneys were A. H. McGovern and Ross & Ross.

Anna Louise Perry filed suit today for \$5925 damages against Dorothy DeDei of Hillsborough for injuries the former allegedly suffered in an April 24 crash on the Bayshore highway at Bayshore City. Her attorney is Albert L. Wagner.

The humming bird's nest is the most difficult of nests to find.

A penny bank will pay the difference between ordinary lighting in your home and scientifically correct better light for better sight.

For better lighting today is both sensibly reasonable as well as scientifically right. Modern lamps are without fussy, frilly shades that subdue light. Modern lamps instead have light-colored shades that are open at the top and set on higher stands to give light a chance to diffuse throughout a room.

When a Sight Meter records or measures the difference between lamps of a few years ago and the modern Better Sight lamps of today, as much as 4 to 5 times as much light for seeing, reading, sewing, etc., is produced by the modern lamp.

More than a half million Better Sight lamps were sold last year. Persons who use them say there is nothing like them. These lamps do give more light, without glare, and for just a few pennies more a day than ordinary light that so often causes squinting and eye strain.

Broccoli is the vegetable of the week. There are many tempting and delicious ways of preparing Broccoli, but one of the most satisfactory is to cream it and then bake with a crust of cheese. After cooking the vegetable make a white sauce, using evaporated milk, then put the creamed vegetable into a casserole and cover it with a generous topping of grated Cheddar cheese. Bake in a hot oven until the cheese is melted and browned.

Using Golden State Evaporated Milk in your cream sauces and creamed dishes is an excellent way to increase the richness of a dish, improve the flavor and save money all at the same time. Golden State Evaporated Milk has a delicate, creamy flavor that you'll like. For convenience and economy, always keep a few cans on your pantry shelf.

Beating Train Costs Man \$5

Other Motorists Pay Various Penalties In Court Here

What has cost other people their lives—failure to stop at a railroad crossing when the warning signals were in operation—cost Herbert Edward Gray of San Carlos a \$5 fine when he appeared before Judge Edward I. McAuliffe in an end-of-the-week traffic court.

Gray, 54, overtook the highway patrol car and shot across the Chestnut street tracks while the oncoming train was only 20 or 30 yards away, according to the report of Patrolman Manfred Walzberg.

Chief contributors to the city coffers, however, were Leo Costigan of San Jose and Louis Armanasco of Palo Alto, both fined \$10 apiece for speeding 60 miles an hour on the Bayshore highway. Fines of \$5 each were paid by Laurena Heple of San Jose, Lewis D. Bennett of San Jose and Bruce

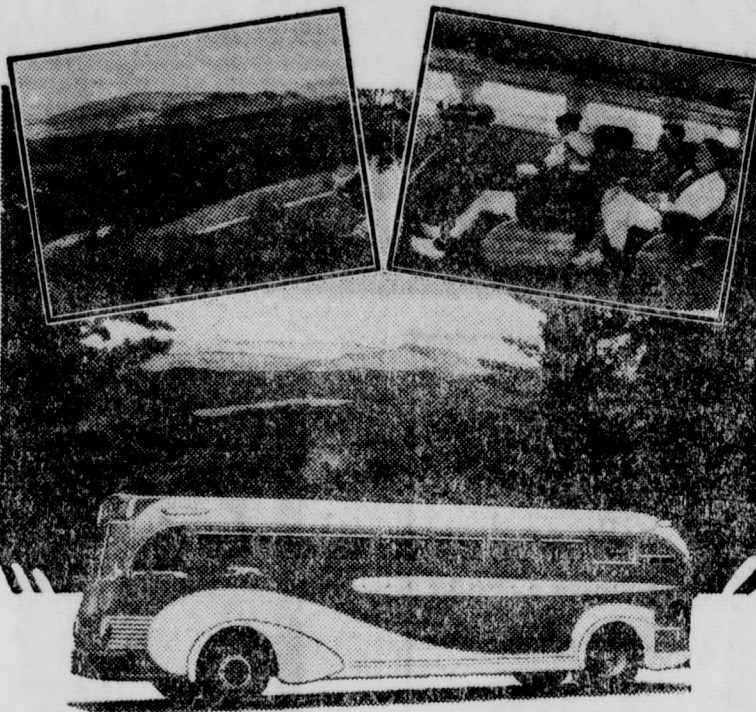

E. Baird for speeding, while lesser speed offenses cost William Valkman of Piedmont, William J. Calloway of San Jose and Frank Talmage of San Francisco, \$2.50 each. Arterial breaches brought \$2.50 fines to Leon DeLaney of Palo Alto and Robert Stankewitz of Palo Alto. Driving with an overcrowded front seat cost James T. Martin of Palo Alto \$2.

Third-lane driving resulted in a \$5 fine being imposed on Tom Mangana of Gilroy, and the same offense, but with extenuating circumstances, brought a \$2.50 penalty to Claude W. Herndon of South San Francisco. An overcrowded driver's seat resulted in a \$1 fine for John Enlen Jr. of Davis.

Episcopalians Plan Harvest Festival

Members of St. Peter's Episcopal Church will celebrate their annual harvest festival at services both Sunday morning and evening at the church on Clinton street. All members and friends are requested to bring flowers, fruits, vegetables or other donations to the church Saturday morning to be distributed after the Sunday services among needy families. The festival will be celebrated at 11 a. m. and again at 7:30 p. m. Sunday.

Belmont Seeks WPA Aid on Water Plans

BELMONT, Sept. 23 — Water commissioners of the Belmont County Water District last night authorized Charles Morser, engineer, to apply to WPA for a labor project calling for continuation of the pipe line on El Camino Real from Ralston north to Middle road, a new pipe line for the Swift sub-

division, a new pipe line to the California Sanitarium, and the replacement of approximately 75 water meters.

The engineer estimated the project at \$8,000. Much of the materials necessary will not have to be purchased, as the district has equipment on hand, left from the installation of the recent \$45,000 water system.

Man Jailed As Mother Injured in Accident

Tony Menacho, 27, Santa Clara, was jailed charged with driving while drunk and causing injury following an accident at Main and Middlefield road Wednesday in which his mother, Mrs. Mary Menacho, received scalp wounds. She was taken to Middlefield Road Hospital.

Menacho was driving north on

Main street when he allegedly turned into the path of a car driven by Edmond Scharman, Los Altos, causing Scharman's machine to ram the rear end of a truck driven by A. R. Jacobs, according to police reports.

Scharman's car was badly damaged.

Considering how fine this railroad transportation is nowadays, you can't travel any cheaper. Fares lowest in history—substantial savings on round trip tickets. So why not take the train? It's safer. It's more dependable.

You can't beat the improved travel comfort in coaches and sleeping cars. It's a good thing movies don't have such restful seats—most folks would sure fall asleep.

Ever hear about the Free pick-up-and-delivery of less than carload freight? It's a great convenience to shippers and receivers alike. Western railroads pick up at the door, ship by fast freight, and deliver to consignee's door.

Railroad trains are running on faster schedules these days. Seems like the iron horse wants to show these new streamlined diesels that he can step out, too. Both passenger and freight schedules have been speeded up.

What's more, the railroads believe in "safety first." Last year not one passenger was killed in a train accident on western railroads.

Talk to your local railroad agent. He's full of information about traveling and shipping.

We are proud of railroad achievements, appreciate the public's good will and increased patronage, and pledge continued progress.

HOW DO YOU LIKE SUPPORTING FOREIGN FARMERS?

When President Roosevelt stopped the farmer from raising crops and hogs, he took the American farmer out of foreign markets and put the foreign farmer into the American market.

Today we Californians are importing and paying for meat, cereals, eggs, etc., grown and produced in other countries by cheap labor.

Study these import figures. They help explain why this Nation has lagged behind the rest of the world in recovery from the depression.

Butter Imports	899,000 pounds in 1933*
	22,675,000 pounds in 1935
Cattle Imports	65,000 head in 1933
	365,000 head in 1935
Hogs	8,000 pounds in 1933
	3,414,000 pounds in 1935
Barley	109,183,000 pounds in 1933
	320,623,000 pounds in 1935
Wheat	10,319,000 bushels in 1933
	38,865,000 bushels in 1935

Unemployment and U. S. Debt Both Increasing

Out of Work in 1932.....	11,000,000
" " " 1936.....	12,184,000
(American Federation of Labor figures)	
Out of work in 1936	
(National Industrial Conference Board figures)	9,649,000
On Relief in 1936.....	19,000,000
(Relief Administrator Hopkins' own figures)	

In his acceptance speech on July 2, 1932, Franklin D. Roosevelt said: "I propose to you, my friends, that government... be made solvent and that the example be set by the President of the United States."

At that time (1933) the National Debt was.....\$20,937,000,000
Three years later (June, 1936) the National Debt was.....33,779,000,000
AN INCREASE in 3 years of.....12,842,000,000

That bill must be paid. You and your children and their children must pay for this orgy of waste and extravagance.

End this recklessness NOW.
